EMPLOYMENT HISTORY

Anne Plummer Photography

PHOTOGRAPHER, 2012 - CURRENT

Spent early years as a lifestyle photographer for families in the Northern Virginia and DC area. Currently work as a contractor to media and marketing firms for national clients, such as AT&T and Dick's Sporting Goods during large scale events.

All Hands and Hearts

CONTENT CREATOR, 2017-2018

Documented and created narratives via photo, video, and writing to share community, home-owner, and volunteer stories post-disaster and during recovery. Content was used across digital media platforms, for donor accountability, and within the organization. Work was also published on several national media outlets, including Good Morning America.

American Red Cross

SHELTER MANAGER, CLIENT CASEWORK SUPERVISOR, 2011 - 2015

Responded to many Washington, DC area and national disasters. As shelter manager, was responsible for well-being of shelter workers, created schedules, worked with community leaders and National Guard during a disaster to ensure safety and supplies for clients in disaster shelter.

As a client casework supervisor, was responsible for small group of caseworkers, worked one-on-one with clients post-disaster to ensure accurate information was collected for them to receive maximum help from the Red Cross and partner organizations.

TASC, Inc. / Northrop Grumman

ADMINISTRATIVE ASSISTANT, 2007 - 2011

Worked on contracts for the Federal Aviation Administration: Tac2 En Route and Oceanic Program Support, and Office of Safety Support. Was tasked with creating and distribution of various notes and memos that included weekly international conference calls. Planned speaking engagements for safety related events. Acted as technical editor of white papers and presentations when program was short staffed.

MOST RECENT ACADEMICS

University of Austin

FULL STACK DEVELOPMENT BOOTCAMP, 2020

This was a 24 week intensive course covering HTML, CSS, JavaScript, APIs, and MERN. Students were taught not just how to learn languages quickly, but how to think like a developer. It included 3 large group projects. Please view my portfolio for examples of work completed.
